Upon construction documents approval by DPS for applications submitted after August 15, 2012, applicants may be able to submit an electronic copy of the approved construction documents (ecopy) before permit issuance. The ecopy will be submitted in a prescribed electronic format on CD or DVD disks.

On October 15, 2012, DPS will implement this program and applicants must submit the ecopy before permit issuance.

Please note that after this deadline, permits will not be issued until the ecopy is received.
